Hereafter referred to as "**(the) Customer**"

Scope

This agreement relates to the following data, hereafter referred to as “(the) Data”:

- Payment card data (primary account number and expiry date)
- Internal payment card reference (“token”) as it exists with Paylike

Approval of transfer

The Customer hereby approves the transfer of the Data from Paylike to the Provider. The approval and ensuing data transfer is irrevocable.

Attestation of compliance

The Provider hereby confirms they are in compliance with the PCI DSS (Payment Card Industry Data Security Standard) for the duration of the transfer.

Transfer of responsibility

The Provider accepts to assume responsibility for their copy of the Data in the scope of this agreement from the time of and during the transfer of Data.

These responsibilities include but are not limited to storing, using and transferring the Data in compliance with any applicable regulation as well as recommendations set forth by the PCI DSS.

The transfer of responsibility is irrevocable.

The Provider shall indemnify Paylike from any costs related to the Provider’s copy of the Data in the scope of this agreement, including but not limited to, damages, lawsuits, financial claims or other claims from any other party.

Other

Disputes shall be settled by the Court of Aarhus under Danish law.
